

How to change your background.

Procedure:

Download, and then decompress the file "Background.zip"

Turn on the Meizu Miniplayer and connect it to a PC.

Add the decompressed "Background" folder to the "PICTURES" directory of your Meizu Miniplayer.

Disconnect your Meizu Miniplayer, go to the "PHOTOS" menu and view your new images.

If you wish to select one of the downloaded pictures as your new background, press the  key and select "music background".
